

THE ICKNIELD WAY ASSOCIATION

Revised route for Icknield Way – walkers' route

Additional signage has been added to the route in Jan 2020.

Key directions for the revised route:

From Chalk Hill continue down the steps, left down the hill to continue straight ahead on a bridleway. Follow the bridleway across the road then left to Thorn Road. Turn right then cross at the Pegasus crossing.

Continue on the footpath north (as at Jan 2020 partly diverted due to building work) crossing over the new A5 dual carriageway on the Thorn farm bridge. Continue on the track north to the field edge and turn right following the field edge, ignore two footpaths off the left.

Cross a bridge in the hedge line and turn left, then right, to continue along the field edge until reaching a bridleway going left up towards Wingfield. Follow the bridleway until it re-joins the established Icknield Way path near the cricket ground.
